QUOTE: General vonMoltke; Castagnaria, Vol. 1 (17 June '68) Page Ten: "I suspect that Walker has proved himself the liar, and possibly Big-
lenny's most arrogant enemy as well. ... I know exactly what I have
received; Walker's. ST JOHN PRESS, unbelieved as to date of postage,
calculated to about 2% unreadability, and arriving eight days after
the postmark date. Perry has sent stuff that way too, I still prefer
not to get shredded magazines." END OF QUOTE:

QUOTE: John Koning; Stab #50, Page two; "See the next Brother...if you
can read it after the FO gets done nagging it because it isn't
mailed in an envelope." END OF QUOTE:
